Orthodontic Fun Fact {Smile} *Like an Egyptian*

The desire for straight teeth can be traced further back than 18th century France— all the way to Ancient Egypt! Who knows whether Ancient Egyptians knew about the health benefits or if they just wanted straight teeth for cosmetic reasons, but some mummies were actually found with makeshift “braces”.

Braces Friendly Recipe

Disneyland Dole Whips

- 1 16oz bag frozen Pineapple chunks
- 4 cups vanilla ice cream
- 1 tsp. lime juice
- 1 tsp. lemon juice
- 12oz pineapple juice

1. Puree frozen pineapple in a blender. It works best if it is about halfway thawed. To that add the ice cream, lime juice, lemon juice, and ½ pineapple juice. Blend together until all mixed.
2. Freeze the mixture about 2 hours to set up.
3. Scoop into glasses or bowls and pour the remaining pineapple juice over each serving. Makes about 3 servings.
